			Date Formatting reflecting the changes in the schemas
1.0 Release Candidate 2	17/05/2018		Version updated to 1.0 Release Candidate 2

Audience

This document is for any software provider who has chosen to build or update their products to allow for PAYE Modernisation.

Document context

This document provides a non-technical overview of the data items in a payroll submission. This document is designed to be read in conjunction with rest of the Revenue Commissioners' PAYE Modernisation documentation suite including the relevant technical documents.

Note on 'Conditional' data items:

Where the data item is applicable, the field is mandatory and must be completed. Where the data item is not applicable, the field is not required to be completed. For example, the Pensions Tracing Number field is conditional. This means that if the employer operates an employer sponsored pension scheme, this field is mandatory.

Submission Request Header

Header item line number	Data Item	Condition	Description and validation	Context
1	Employer Registration Number	Mandatory	The registration of the employer (up to 9 chars). Must be valid Employer Registered number. Format is 7 digits (including leading zeros) followed by either 1 or 2 letters	Used to identify employer to which the submission relates. Will be used in pre-population of employer return.
2	Agent TAIN	Conditional	Mandatory if the Payroll is being run by an Agent on behalf of an Employer	Use to identify the agent submitting on behalf of the employer and to ensure that an agent link exists for this employer agent relationship for the period that the payroll submission relates to.
4	Payroll Run Reference	Mandatory	The Payroll reference	Used to identify the Payroll event that the submission refers to e.g. 'Site 1 Week 1'. Allows employers to get summary totals for payroll runs even if there have been corrections or multiple submissions for that logical payroll run.
5	<i>Tax Year 4 digit year value, format YYYY. Minimum value 2019</i>	Mandatory	Tax Year to which the submission relates.	This is generally the tax year in which the individual is paid. However, where there is "unpaid remuneration" (as defined in S996 TCA 1997), the relevant year may be an earlier year. Note - Any payments that may be deemed to be paid in 2018 will require the re-opening of the P35 for 2018.
6	<i>Software Used</i>	Mandatory	Third party software product identifier.	Helpdesk support
7	<i>Software Version</i>	Mandatory	Third party software product identifier.	Helpdesk support

Submission Request Line Items

Data item Line number	Data Item	Condition	Description and validation	Context
8	Employee PPSN	Conditional	The registration of the employee (up to 9 chars). Must be valid PPS number. Format is 7 digits (including leading zeros) followed by either 1 or 2 letters. This field will be mandatory unless the Employee doesn't have a Employee PPSN when making the payment. If submissions continue to be received with no Employee PPSN, relevant compliance interventions will be triggered.	Used to identify employee to which the submission relates. In conjunction with Employer Registration Number and Employment ID. Will be used to see if employment record exists.
9	First Name	Mandatory	The First name of the employee. No validation	Where there are errors/ mix ups, the name will help the employer helpdesk when correcting a record.
10	Family Name	Mandatory	The Family name of the employee. No validation.	Where there are errors/ mix ups, the name will help the employer helpdesk when correcting a record.
11	Address	Conditional	The address of the employee. This will be Mandatory if the Employee PPSN isn't available.	Where there are errors/ mix ups, the address will help the employer helpdesk when correcting a record.
12	Date of Birth (DOB)	Conditional	The date of birth of the employee. This will be Mandatory if the Employee PPSN isn't available.	Where there are errors/ mix ups, the DOB will help the employer helpdesk when correcting a record.
13	Employer Reference	Conditional	Employee internal staff identifier. This will be Mandatory if the Employee PPSN isn't available and must remain unchanged in all submissions received until the Employee PPSN is available.	Used to uniquely identify the employment of an employee with an Employer where a Employee PPSN is not included.
14	Employment ID	Conditional	This is a unique identifier for each separate employment for an employee. It will be	Used to uniquely identify each employment for the employee. Will be used in conjunction with the

			provided by the Employer. It will be used to distinguish between multiple employments for an employee with the same Employer. It will also be used to distinguish between the different employments where an Employee ceases and re-commences employment with the same Employer. It is Mandatory if the Employee PPSN is available.	Employer Registration Number and the Employee PPSN to see if employment record exists.
15	Employment Start Date	Conditional	Only fill this in the first time you pay a new employee or if there is a correction being made to the Employment Start date in a subsequent payroll run	Establishes the start date for the employment. Will be used in conjunction with other employment details held by Revenue to determine if credits and rate bands need to be reallocated to this new employment.
16	Date of leaving	Conditional	Report this date when an employee is leaving (date contract terminates) or if employer ceases trading.	Establishes the leaving date for an employee. Will be used in conjunction with other employment details held by Revenue to determine if credits and rate bands need to be reallocated from this employment.
17	Pay Date	Mandatory	Date Employee is being paid (YYYY-MM-DD). In the case of an individual paid by cash, it is the date the cash is given to the employee. Where payment is made by bank transfer, it is the date on which the funds are scheduled to be made available in the individual's bank account. In the case of a cheque, it will be the date on the cheque. Where payday falls on a bank holiday and an employee is due to be paid by funds transfer	Used to determine which remittance period the submission belongs to and for pre population of the employer return.

PAYE Modernisation – Payroll Submission Request: Data Items

Data item Line number	Data Item	Condition	Description and validation	Context
			on that day, we would regard the payday as that bank holiday where the funds are made available to the employee in his or her bank account on the previous day.	
18	Pay Frequency	Mandatory	Option include: Weekly, Fortnightly, Monthly, Four-Weekly, Twice-Monthly, Quarterly, Bi-Annual, Week-based Monthly, Annual, Other	Used for employee in-year reconciliations and to determine the payment against which, for example, Local Property Tax and illness benefit should be applied. 'Other' should only be used where the payment frequency does not fall into one of the categories listed or the frequency of payment is unpredictable e.g. ARFs and income continuance payments.
19	RPN Number	Conditional	The number of the Revenue Payroll Notification (RPN) used to calculate deductions. This is mandatory when the RPN is used	Used to determine that the correct instructions are being operated.
20	Standard Rate Cut Off Point this period	Conditional	Amount of Standard Rate Cut Off Point available for use in the PAYE calculation. Where the employee is taxed on a week 1 basis, this will be the standard rate cut off point for the pay period. If the employee is taxed on the cumulative basis, this will be the cumulative standard rate cut off point for the pay period. This is mandatory when the RPN is not used.	Used to determine that the correct instructions are being operated.
21	Tax Credits this period	Conditional	Amount of tax credits available for use in the PAYE calculation. Where the employee is taxed on a week 1 basis, this will be the tax credits	Used to determine that the correct instructions are being operated.
